Docket No. CP2011-51

**NOTICE OF CONTRACT RENEWALS FOR
PRIORITY MAIL—NON-PUBLISHED RATES
SERIAL NUMBERS ENDING: 0010-0100**
(January 27, 2017)

The United States Postal Service hereby gives notice of the renewal of multiple Priority Mail—Non-Published Rates (PMNPR) customer agreements, with serial numbers ranging between 0010 and 0100. Attachment A to this pleading contains a list of all PMNPR agreements, with serial numbers ranging between 0010 and 0100, which the Postal Service has renewed. As indicated in Attachment A, the effective date for each renewed agreement has not changed, as the original effective date for the underlying contract is still applicable. The termination date for each agreement has been extended one additional year, as reflected in Attachment A.

The Postal Service is currently working on providing a separate notice to inform the Commission of the disposition of the remaining agreements within this range, and beyond.¹ The agreements within the 0010-0100 range that are not included in the instant renewal notice either: 1) expired at the conclusion of the contract term; 2) terminated prior to the end of the contract term; or 3) terminated and were superseded

¹ This subsequent notice will also include the PMNPR agreement costs, volumes, and revenues disaggregated by weight and zone for each expired or terminated PMNPR agreement, including any penalties paid, in accordance with Commission Order Nos. 661 and 3760.

by a subsequent PMNPR agreement or traditional NSA with the same customer.² The Postal Service continues to gather the necessary information and data for these agreements, in order to provide the Commission with a complete picture of the disposition of each of these PMNPR agreements. The Postal Service plans to follow a similar approach for PMNPR agreements that come up for renewal in February 2017 and beyond.

For the agreements that have been renewed (PMNPR 0010-0100), the parties have mutually agreed, in writing, to extend the term of the contract for one additional year as contemplated by the contract terms. Pursuant to Section II of the contract, therefore, the customized prices for Year Two of the contract will be the previous year's prices, plus the most recent average increase in prices for Priority Mail Retail.

Also included with this filing is an updated Excel file with the financial model inputs for Year Two of the renewed contracts. A redacted version of this file is attached, and an unredacted version has been filed under seal. The Postal Service also is including, under seal, a copy of the notice documents for each agreement that has been renewed, pursuant to Commission Order Nos. 661 and 3760. The Postal Service herein incorporates by reference the Application for Non-Public Treatment in this docket for the protection of the materials that have been filed under seal.

² The Postal Service is working on its renewal notices in monthly batches, beginning with January 2016 agreements. For the avoidance of doubt, we note that PMNPR-FY16-JAN16-0101, the only other agreement with a January 2016 effective date outside the 0010-0100 range, has not been renewed.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
